Outcomes of Day 3 ,4 ,5 & 6

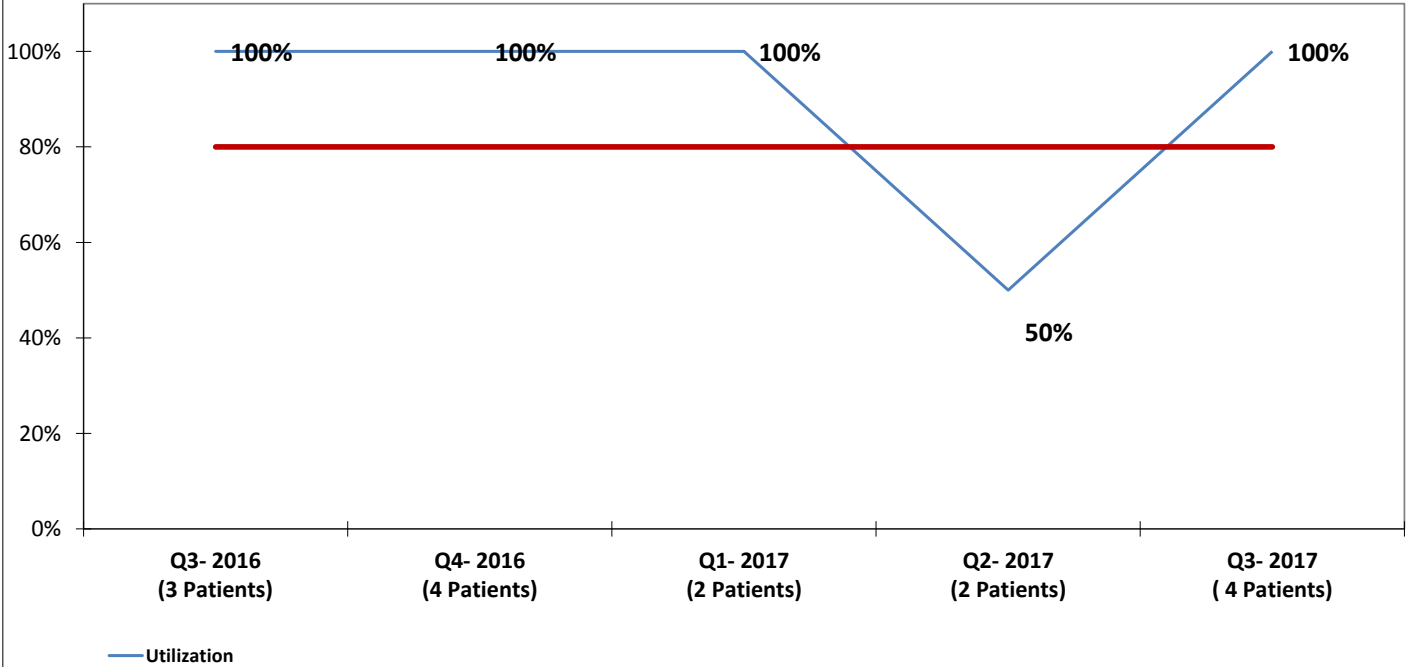

Outcomes of days 6, 7 & 8

Average Length of Stay (LOS) for the Clinical Pathway

Percentage of Clinical Pathway Utilization

Measures:

The ultimate outcome measure for this clinical pathway is to discharge the patient within 10 days.

Findings:

1. For this quarter, the average Length of Stay (LOS) for (4) four patients is **9** days.
2. The utilization of this pathway for this quarter is **100%**.

Action Plans:

1. The report to be shared with the respective Healthcare Provider/ Medical Quality Director / Clinical Pathway Coordinator.
2. Encourage the Healthcare Providers to utilize the clinical pathway nurse champion as a resource for any clarifications.
3. The Clinical Pathway Coordinator will meet with the author team to improve the documentation compliance of this pathway and to discuss the automation process.
4. In-Services will be provided to the units where the Clinical Pathway is implemented to improve documentation and utilization as needed.
