Outcomes of Day 3, 4, 5 & 6

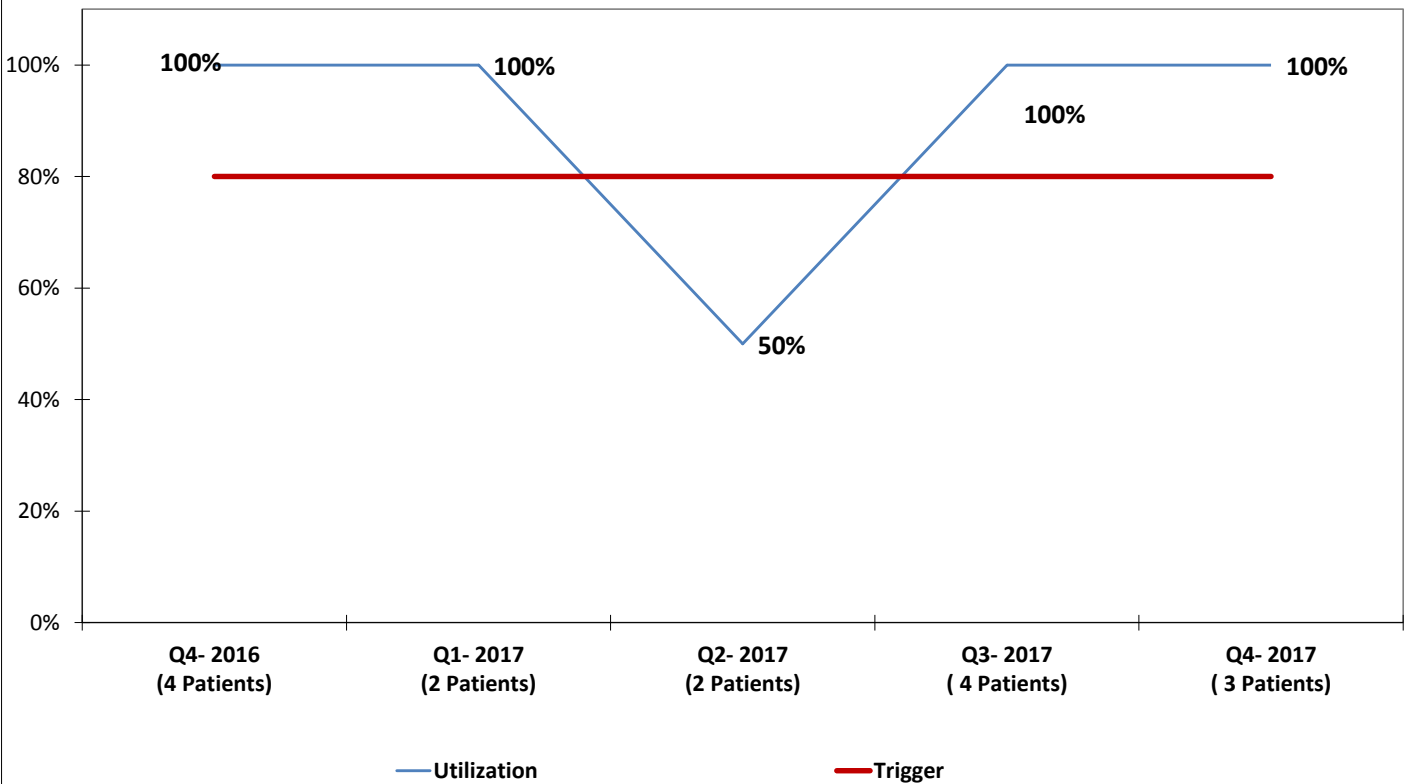

Outcomes of days 7 & 8

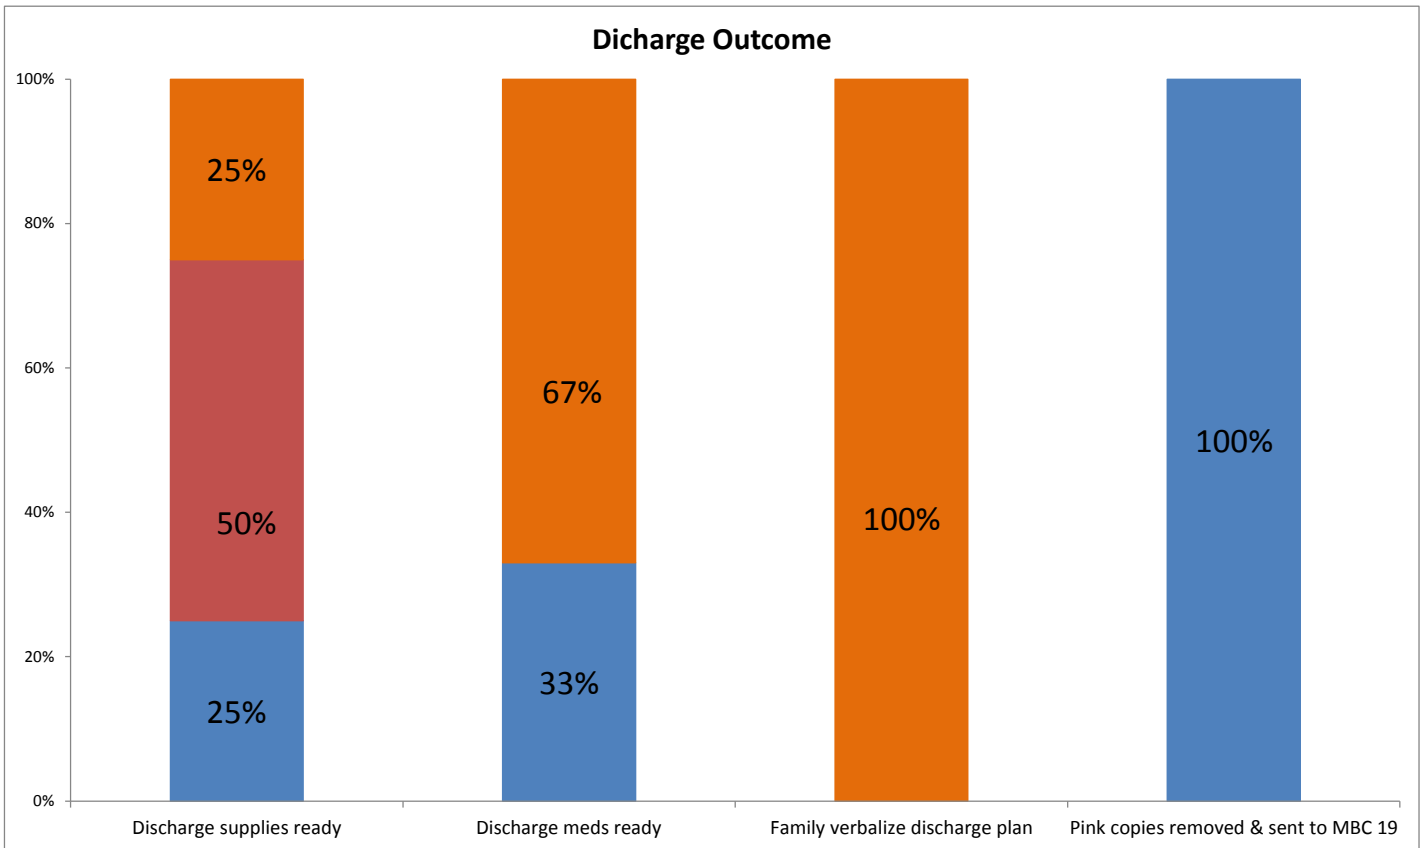

Average LOS

Percentage of Clinical Pathway Utilization

Measures:

The ultimate outcome measure for this clinical pathway is to discharge the patient within 10 days.

Findings:

1. For this quarter, the average Length of Stay (LOS) for (4) four patients is 9 days.
2. The utilization of this pathway for this quarter is 100%.

Action Plans:

1. The report to be shared with the respective Healthcare Provider/ Medical Quality Director / Clinical Pathway Coordinator.
2. Encourage the Healthcare Providers to utilize the clinical pathway nurse champion as a resource for any clarifications.
3. The QMD management will meet with the author team and chairman department to improve the documentation compliance of this pathway and to discuss the automation process and revision.
4. In-Services will be provided to the units where the Clinical Pathway is implemented to improve documentation and utilization as needed.
