K ORA REVIEW: REVIEWED & CLEARED
Date: _____ Director: _____
(Print/type name)

NOTES:

- All scientific publications/presentations (including abstracts) resulting in whole or in part, from author(s) affiliation with, or employment by, KFSH&RC should be cleared/registered by the ORA before submission for publication. Such publications/presentations are reviewed by the ORA for administrative and ethical issues.
- Underline the name of the corresponding author. If the corresponding author is not currently KFSH&RC employee, indicate with an asterisk the name of the "KFSH&RC-corresponding" author.
- It is the responsibility of the corresponding author to comply with Authorship Guidelines and applicable agreement(s) with sponsors /collaborator(s) and to ensure that this Form is completed and signed by his/her Chairman.
- It is the responsibility of the corresponding author to inform the ORA of any changes in the manuscript or its status (use the attached forms).
