**SUBJECT: COVID-19 PRECAUTIONARY MEASURES: RESTRICTIONS ON HOSPITAL ENTRANCES**

In line with our efforts to ensure the safety of our patients and employees and to optimize infection control measures for COVID-19, a decision was made to restrict and control access to the hospital by temporarily closing the following hospital entrances starting on Thursday, 12 March 2020 at 7:35 a.m.:

1. Red carpet entrance at the main hospital
2. L1 Emergency Medical Services (EMS) Building main entrance
3. North Tower Building entrances (both north and west sides will be closed; east side will remain open)
4. King Abdullah Centre for Oncology and Liver Diseases (KACO&LD) Building Level 1 entrance at the west side (other entrances will remain open)
5. KCO&LD Level B1 and B2 (Parking Areas).

Furthermore, the following entrances will be closed and will be utilized by employees through door access only.

1. Medical Support Services Building (MSSB) entrance
2. Emergency Room B2 entrance
3. East Wing second gate
4. Outpatient Basement area

All open entrances will be equipped with:

- Adequate amount of hand sanitizers
- Nursing Team to do the initial visual screening and thermal checking for all individuals passing through these entrances

Your cooperation and understanding in this regard is highly appreciated.

Thank you.
