SUBJECT: COVID-19 PRECAUTIONARY MEASURES: VISITORS AND SITTERS

Further to previous communication regarding visitors and visiting hours in view of COVID-19, the following additional precautionary measures are placed effective immediately, until further notice:

1. No visitors are allowed in all patient care areas.
2. Patient sitter shall be allowed only by the attending physician's order, if the patient's condition necessitates it. In such case, only one sitter per patient shall be permitted. Sitters shall not leave the patient's room except for an allowable one instance between 12:00 and 2:00 PM, to attend to personal and/or patient's needs.
3. Patients shall be encouraged to utilize available forms of virtual communication such as Facetime, WhatsApp, Imo, and other similar platforms, in communicating with their families and loved ones.

Thank you for your cooperation.
