SUBJECT: COVID-19 PRECAUTIONARY MEASURES: CLINICS AND NON-URGENT PROCEDURES AND SURGERIES

Further to previous communication sent regarding the subject, kindly ensure that the following measures are strictly implemented:

1. All clinics will continue to provide consultation virtually or via phone, until further notice, unless the patient needs to be seen by the physician. Patients will be encouraged to utilize the services of local laboratories and hospitals, if and when needed.

Medical Affairs, Nursing Affairs, and other concerned departments will ensure that all resources required to operate phone clinics are available.

2. Treating physicians in Day Medical Clinic, Hemodialysis, and Infusion/Radiation Therapy Areas are responsible for assessing the needs of their patients.

3. All non-urgent surgeries and procedures shall be re-scheduled. Medical departments /sections and case managers should review all non-urgent cases and identify which cases may be re-scheduled at a later time.

Adherence to the above measures is expected and appreciated.
