Medical Supplies Request Service Through SEHATY

The nutrition supplies feature provides information about the medical nutritional supplements dispensed to the patient from the Nutrition Department, such as the description, quantity and date of re-dispensing to the patient, in addition to allowing the patient to request for a new refill.

In order to do so please follow the following steps:

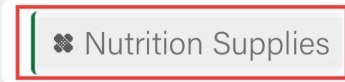

1

Login to your Sehaty account through the web >>> sehaty.sa
or through «Sehaty» App >>>

2

Click on the «Nutrition Supplies» option >>>

3

After that, a screen will appear for you with all the previous and future requests, through which you can view the item image and its information by clicking on the "Details" option.

Medical Supplies Request Service Through SEHATY

Continue following the below steps:

4

To refill any of the previous orders list, select the required order and then click on the "Request New Refill" option

The screenshot shows a sidebar with three options: Nutrition Supplies, Personal Profile, and Medical Evaluation. The main area is titled 'PREVIOUS ITEMS' and contains a table with the following data:

	Description	Unit of Measure	Due Date		
<input type="checkbox"/>	FORMULA RESOURCE PLUS 1.5 KCAL VANILLA, LIQUID FOR ADULT, 237/ML (53)	Each	09 Mar 2020	>>>	Details

A 'Request New Refill' button is located at the top right of the table, and a 'Details' button is highlighted with a red box at the end of the row.

5

An alert message will appear to you that "Your request for new refill has been submitted successfully."

The screenshot shows an alert box with the following text:

Alert

Your request for new refill has been submitted successfully.

Close

The background shows a blurred view of the 'Request New Refill' button.

6

To follow up on the status of the request, click on the "My Requests" option

The screenshot shows a button labeled 'My Requests' with a document icon, highlighted with a red box and a mouse cursor pointing to it.
