TOTAL :	41	41	100%

*** Note:** These clinical pathways are not included in the utilization because there is no data source for the eligible number of the patients who should be put on the pathway.

Findings

This quarter overall utilization is below the Tigger.

Action Plan:

1. The report is to be shared with the respective Healthcare Provider/Medical Quality Director /Clinical Pathway Coordinator
2. Quality management division will be starting meeting with CP owner and representative departments chairmen to enhance clinical pathway documentation and utilization
3. To continue doing the monthly rounds to identify any other opportunity for improvement.
