

Requesting Medical Evaluation Report Service Through SEHATY

King Faisal Specialist Hospital & Research Centre has added a new service to its Electronic Patient Portal "Sehaty". This service enables patients to request new Medical Evaluation through "Sehaty" portal without visiting the hospital.

In order to do so please follow the below steps:

1

Login to your Sehaty account
through the Website

>>> sehaty.sa

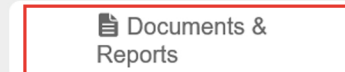

>>>

2

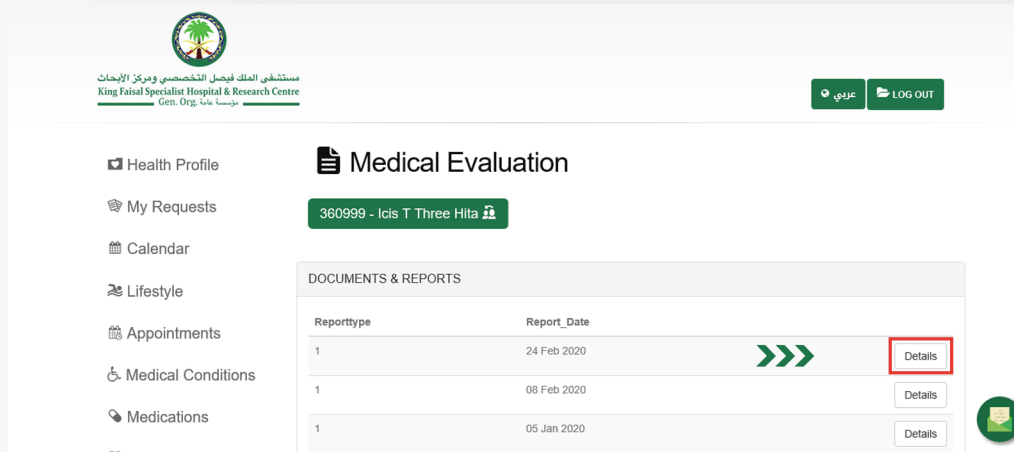

Click on the "Document and Reports" option

>>>

3

View a list of your previous documents and reports. You can view and download your previous reports by clicking on the "Details" button.

4

In order to request for a new medical report, please click on the "Request" button.

MEDICAL EVALUATION REQUEST >>> Request

You can Request new medical report

Requesting Medical Evaluation Report Service Through SEHATY

Continue following the below steps:

5

Choose the doctor and the reason for requesting of the medical report

6

An alert message will appear stating “Your request is registered”. On the main page, another message will appear stating “the request is under process”

»»»

Your request will be completed within four weeks

»»»

7

If your request cannot be completed, an alert message will appear to you to communicate or visit the Medical Records Department for any of the following reasons:

- If you have an issued medical report within the last 12 months
- Or if you still have pending request under process.
