

## International Conference for Genomic Medicine 2025: The Expanding Landscape of Therapeutics in Genomic Medicine: No Patient Left Behind

---

### **Day 1 (22 January 2025):**

#### **Dr. Ahmed Alfares**

Senior Clinical Scientist and Consultant  
Deputy Executive Director  
Medical Genetics, Genomic Medicine Centre of Excellence  
King Faisal Specialist Hospital and Research Center, Saudi Arabia

#### **Prof. James M. Wilson**

Professor, Perelman School of Medicine  
University of Pennsylvania  
United States of America

#### **Prof. Jerry Vockley**

Division Director, Genetic and Genomic Medicine, Cleveland Family Endowed Chair in Pediatric Research,  
Professor of Pediatrics and Human Genetics, and Director, Center for Rare Disease Therapy  
United States of America

#### **Prof. Simon Waddington**

Professor of Gene Therapy, Maternal & Fetal Medicine  
University College London  
United Kingdom

#### **Dr. Abdulrazag Aljazairi**

Director, Clinical Trials Transformation Initiative, King Faisal Specialist Hospital and Research Center  
Chairman, Scientific Pharmacy Board at the Saudi Commission for Health Specialties, Saudi Arabia

#### **Dr. Weam Fageera**

Chief Expert  
Saudi Food and Drug Authority, Saudi Arabia

#### **Panel Discussion:**

#### **Prof. Fowzan Alkuraya**

Chief Medical and Genomics, Officer at Lifera Omics  
Professor of Human Genetics at Alfaisal University, Saudi Arabia

#### **Dr. Abdulrazag Aljazairi**

Director, Clinical Trials Transformation Initiative, King Faisal Specialist Hospital and  
Research Center  
Chairman, Scientific Pharmacy Board at the Saudi Commission for Health Specialties, Saudi Arabia

**Dr. Mohammed Alowain**

Chairman, Medical Genetics  
Genomic Medicine Centre of Excellence  
King Faisal Specialist Hospital and Research Center, Saudi Arabia

**Prof. David Iedbetter**

Professor, Office of Research Affairs  
University of Florida College of Medicine  
Senior Consultant, X-Therma Industry  
United States of America

**Prof. Moeen Alsayed**

Consultant and Department Chair, King Faisal Specialist Hospital and Research Center  
Professor, Alfaisal University, Saudi Arabia

**Dr. Sufana Almashhadi**

Director of Innovation  
Saudi National Institute of Health, Saudi Arabia

**Dr. Weam Fageera**

Chief Expert  
Saudi Food and Drug Authority, Saudi Arabia

---

**Dr. Tawfeg Ben Omran**

Division Chief, Genetic and Genomic Medicine, Sidra Medicine  
Senior Consultant, Department of Medical Genetics, Hamad Medical Corporation  
Professor, Weill Cornell Medical College  
Qatar

**Prof. Moeen Alsayed**

Consultant and Department Chair, King Faisal Specialist Hospital and Research Center  
Professor, Alfaisal University, Saudi Arabia

**Prof. Majid Abdullah Alfadhel**

Deputy Executive Director, King Abdullah International Medical Research Center (KAIMRC)  
Director of Medical Genomic Lab, KAIMRC  
Professor of Pediatrics and Genetics at King Saud bin Abdulaziz University for Health Sciences, Saudi Arabia

## **Day 2 (23 January 2025):**

### **Prof. Jerry Vockley**

Division Director, Genetic and Genomic Medicine, Cleveland Family Endowed Chair in Pediatric Research, Professor of Pediatrics and Human Genetics, and Director, Center for Rare Disease Therapy  
United States of America

### **Dr. Lama Alabdi**

Scientist, Translational Genomics  
Genomic Medicine Centre of Excellence  
King Faisal Specialist Hospital and Research Center, Saudi Arabia

### **Dr. Khalid Al-Thihli**

Senior Consultant, Clinical and Biochemical Geneticist  
Sultan Qaboos University  
Oman

### **Dr. Monther Alhamdoosh**

Chairman of Computational Sciences, Computational Sciences  
Genomic Medicine Centre of Excellence  
King Faisal Specialist Hospital and Research Center, Saudi Arabia

### **Prof. James M. Wilson**

Professor, Perelman School of Medicine  
University of Pennsylvania  
United States of America

### **Prof. Robert Taylor**

Professor of Mitochondrial Pathology, Mitochondrial Research Group  
Newcastle University, United Kingdom

### **Dr. Dana Marafi**

Assistant Professor, Kuwait University  
Kuwait

### **Dr. Ahmad Abou Tayoun**

Founding Director, Al Jalila Genomics Center  
Associate Professor, Mohammed Bin Rashid University of Medicine and Health Sciences (MBRU)  
United Arab Emirates

**Joint Talk:**

**Dr. Mohammed Alowain**

Chairman, Medical Genetics

Genomic Medicine Centre of Excellence

King Faisal Specialist Hospital and Research Center, Saudi Arabia

**Dr. Faiqah Imtiaz Ahmad**

Senior Clinical Scientist, Clinical Genomics

Genomic Medicine Centre of Excellence

King Faisal Specialist Hospital and Research Center, Saudi Arabia

**Ms. Yara Alqahtani**

Genetic Counselor, Medical Genomics

Genomic Medicine Centre of Excellence

King Faisal Specialist Hospital and Research Center, Saudi Arabia

**Dr. Tarif Awad**

Head of Scientific Market Development

Olink Proteomics

United States of America
