International Conference for Genomic Medicine (ICGM2026)
21-22 January 2026
Invited Speakers

Prof. Emmanouil Dermitzakis
President
Qatar Precision Health Institute

Prof. David S. Wishart
Professor
Departments of Biological Sciences and Computing Science
Faculty of Pharmaceutical Sciences
Department of Pathology and Laboratory Medicine
University of Alberta

Dr. Ahamd Abusalah
Director Of Digital Innovation Hub
King Faisal Specialist Hospital and Research Center

Prof. Fowzan Alkuraya
Chief Medical and Genomics Officer
Lifera Omics
Adjunct Principal Scientist
King Faisal Specialist Hospital and Research Center

Dr. Areej Al-Wabil
Director of the AI Center
Director of the Masters in Applied AI Program, College of Engineering and Advanced Computing
Alfaisal University
Research Affiliate, MIT

Dr. Basel Abu-Jamous
Director of Computational Biology
Nucleome Therapeutics

Dr. Touati Bin Benoukraf
Canada Research Chair in Bioinformatics for Personalized Medicine
Memorial University of Newfoundland

Dr. Wail Baalawi
Head of Bioinformatics
Lifera Omics

Prof. Tudor Groza
Principal Scientist, Bioinformatics Institute, A*STAR
Co-Lead of AI and Data Science at the Maternal and Child Health Research Institute

Prof. Ersen Kavak
Adjunct Professor, Boğaziçi University
Founder and Manager, Genomize

Prof. Mohamed Abouelhoda
Senior Bioinformatics Scientist
King Faisal Specialist Hospital and Research Center

Dr. Abdulaziz AlHomod
The Chief Medical Officer
SEHA Virtual Hospital

Dr. Majd Abdulghani
Genomics Lead
Lean Business Services
Industry Advisory Board Member
King Fahd University of Petroleum & Minerals

Dr. Monther Alhamdoosh
Chairperson of Computaional Genomics
Genomic Medicine Center of Excellence
King Faisal Specialist Hospital and Research Center

Dr. Mylynda Massart
Associate Professor
University of Pittsburgh School of Medicine

Dr. Kholoud H. Khateeb
Data Science Consultant
Sector Enablement Director
Council of Health Insurance

Dr. Younes Mokrab
Head, Medical and Population Genomics Research Lab
Director, Neurological Disorders Research Program
Sidra Medicine

Dr. Roy Peake
Director, Biochemical Genetics Laboratory
Boston Children's Hospital
Assistant Professor of Pathology
Harvard Medical School

Dr. Azza Althagafi
Assistant Professor
Taif University (TU)

Dr. Maryam Alhashem
Head, Artificial Intelligence in Medical Imaging
King Fahad Specialist Hospital
Chairwoman, Scientific Committee for Diagnostic Medical Physics
Saudi Commission for Health Specialties

Dr. Kim Watanabe
Executive Director and Cell and Gene Therapy Pillar Head
PPD
