

Year	INDICATORS	Value
2021	Number of submitted articles to Annals of Saudi Medicine (Bimonthly)	1,061
2021	Number of submitted articles to Hematology/Oncology and Stem Cell Therapy (Quarterly)	230
2021	Number of submitted articles to International Journal of Pediatrics and Adolescent Medicine (Quarterly)	347
2021	Number of scientific papers published in peer-reviewed journals	912
2021	Number of Approved Research Projects (Research Advisory Council)	290
2021	Patent Applications	3
2021	Number of patent applications (granted)	2
2021	The number of scientists (KFSHRC)	75
2021	Number of scholars (research grants)	1
2021	The number of technicians (KFSHRC)	162
2021	Number of technicians (research grants)	23
2021	The number of trainees	284
2021	Number of Workshops, Events, Courses	51
2021	Continuing medical education hours	82
2021	Citation level - for the institution	24.21
2021	Citation level - global level	16.45
2021	Citation level - American level	27.82
	The number of doses of F18-2deoxyglucose (FDG) produced for clinical use at KFSH&RC in Positron	
2021	Imaging Center	16,132
	The number of doses of F18-2deoxyglucose (FDG) produced and distributed to different Positron	
2021	Imaging Center outside KFSH&RC	12,636
2021	Number of radiopharmaceutical unit doses produced and distributed	28,133
2021	Number of radiation therapy treatment plans for cancer patients	2,650
