**SUBJECT: CLARIFICATION ON COVID-19 TESTING FOR INDIVIDUALS ENTERING KFSH&RC-RIYADH CAMPUS**

In reference to earlier memoranda issued by Medical Affairs regarding the necessity of COVID-19 testing for employees, visitors, and patients accessing KFSH&RC-Riyadh campus, the following clarification is provided:

1. All individuals entering the Main Hospital shall provide evidence of negative COVID-19 test result within the past 24 hours.
2. All admitted patients and their companions shall be tested for COVID-19 every five (5) days. Any positive test result must be reported immediately by the concerned Nursing unit to Infection Control and Hospital Epidemiology (ICHE).
3. All employees accessing clinical and/or non-clinical buildings at the main campus but not entering the Main Hospital shall provide evidence of a negative COVID-19 test taken within the previous five (5) days upon entry.

This is for your guidance and compliance.

Thank you.
